We produce three productions a year usually in October, January and April and we are always on the lookout for new members.

As a general guide, we meet for rehearsals on Monday and Wednesday evenings from September through to April.

Our autumn 2017 production is

'Wind in the Willows or A Toad in a Hole'

A wonderful family musical about the adventures of Mr Toad and his riverbank friends, adapted from the original story by Kenneth Graham, with the music written and directed by Dave Machell, renowned local musical director. Not to be missed, this charity production which celebrates the 100th anniversary of *The Wind in the Willows* will be staged from 26-28 October 2017—so get the dates in your diary now!

Auditions will be held in the village hall on Monday 10 July 2017 from 7.30pm.
All are welcome for acting roles, stage crew, creative team and front-of-house.

At the Sign of the Crippled Harlequin

On a cold, wintery night in a guest house in the Peak District, a small group of people have gathered for a festive Christmas break.

None of the guests appear to be what they seem and it looks like a Christmas to remember—for all the wrong reasons. The guest house has had a long and troubled history with rumours of a haunting by the original coaching inn host, and then one of the guests goes missing...
