

This tale of comic predicament and mistaken identity unfolds in a time-share villa in Portugal which has been double booked, unknown to the company rep Commander "Chitto" Chittenden.

When Mary and Henry arrive shortly after Eve and Leslie, Chitto manages to remain unaware that there is more than one couple on the scene.

Throw two missing servants, a mother in law and an old friend into the mix and will cunning disguises be enough to save the day?

The Burton Joyce Players put three shows on every year.

We rehearse most Monday & Wednesday evenings in the village hall and welcome new members.
