

The Burton Joyce Players

The Society, which celebrates its 80th anniversary this year, puts on three productions a year. We are always looking for new members, not only to perform on stage, but also to help in a variety of ways backstage – designing and building sets, lighting, sound, costumes, publicity etc. If you would like to get involved, or just come to one of our social evenings to meet the group, contact our secretary Mary on 0115 9312399.

Thanks

We would like to thank Fatale and The Paper Shop for their continued support in selling tickets for us.
