A PANTOMIME PRODUCED AND DIRECTED BY DERRICK. R.
DAINES WITH ADDITIONAL MATERIAL BY JOHN NOBLE.

We have so many new members this year that it would be invidious to mention any by name; suffice it to say that we have many pleasant surprises in store for you. Favourites from Aladdin will be recognised, all of whom we hope will delight you as much as they did a year ago.

I wish to pay particular tribute to the backstage staff who have produced what I consider to be a series of sets and backings remarkable for a small stage, although this is a personal view only and may or may not be endorsed by others

Next week we present the show at Lowdham Grange. The Monday performance is for Officers and boys only, but Tuesday is open to the public. So, if you have friends who missed the show here, or wish to see us again yourself, 7-30 p.m. on Tuesday at Lowdham Grange is the time and the place - first come get the best seats. The proceeds are in aid of the N.S.P.C.C.
