

The Play

Sarah Radford and her brother Edward are joint owners of Donnington's Estate Agency, which is managed by Sarah's husband, Jack. Although the business is successful, Jack's ambition and his shady dealings in Spain have consequences – fatal consequences.

We would like to thank all those people who have helped us by providing props, furniture or their time.

As always, the success of a production depends as much on the people behind the scenes as it does on those on stage.
